The financial services we provide

We promote Let's Go Caravan Insurance branded caravan insurance policies and arrange for people to purchase them.

These policies are general insurance products issued

by NM Insurance and underwritten by Zurich Australian Insurance Ltd ABN 13 000 296 640 AFSL 232507 (ZAIL).

Any promotional content we publish is general in nature. It has been prepared without taking into account your objectives, financial situation or needs. Consider its appropriateness for you in light of these things and read the Product Disclosure Statement for the policy before making a purchase.

Who we act for

We act on behalf of NM Insurance when providing the above services. NM Insurance issues Let's Go Caravan Insurance branded Caravan and Motorhome policies and assesses claims relating to them, under a binding authority provided by ZAIL. This means that we and NM Insurance act on behalf of ZAIL and not you when doing these things.

Other documents we may provide

When we offer to arrange a Let's Go Caravan Insurance branded product for you, we'll provide you with a hyperlink to a Product Disclosure Statement (PDS) that contains information about the terms and conditions that apply to the policy. To make an informed decision, make sure you download, save and read the PDS before buying the insurance.

If you'd like the PDS or this FSG to be sent to you by email, contact: customerservice@letsgocaravaninsurance.com.au

How we are paid

We receive a commission of \$40 plus GST if you purchase or renew an insurance policy we have arranged. NM Insurance also receives a commission for each policy purchased or renewed. This is up to 35% of the base premium paid for the policy.

NM Insurance charges the following fees in relation to Let's Go Caravan Insurance branded products: (1) an administration fee of \$60 plus GST when you purchase the policy (2) an endorsement fee of \$0 - \$22 plus GST if you vary your policy mid term and/or (3) a cancellation fee of \$0 - \$22 plus GST if you cancel your policy mid term.

Endorsement and cancellation fees depend on the amount of the premium payable by or refundable to you.

NM Insurance may receive an annual profit share from ZAIL. The profit share is a percentage of the net profit (if any) earned by ZAIL in respect of policies issued by NM Insurance. It is calculated by ZAIL based on premiums generated less certain costs, expenses, fees and liabilities in relation to the relevant policies.

Associations

Let's Go Caravan Insurance was established through a business partnership between NM Insurance, the Caravan Industry Association of Australia Ltd ABN 70 057 668 041 (CIAA) and Insurance Advisernet Australia Ltd ABN 81 072 343 643 (IAA). CIAA and IAA both receive a commission of 2.5% of the base premium, when you purchase, vary or renew a policy.

SUA is part of Steadfast Group Ltd ABN 98 073 659 677 (SGL). NM Insurance has access to shared services from SGL, including compliance tools and legal, banking and group purchasing arrangements. These services are funded by SGL, subsidised by SGL or SGL receives a fee for them.

They may refer the matter to an IDR Committee, but will provide a written response and final decision about your complaint within 15 business days of your escalation (unless you've agreed to give them more time).
